## Obama's Throne of Satan (Pergamon Altar)

Obama's stage at the 2008 Democratic convention was designed in the style of the Pergamon Altar, a Greek Temple, which is mentioned in the book of Revelation as the "Seat of Satan" or the "Throne of Satan," depending on the translation. The biblical reference is not just to the altar, but to Pergamos as a regional center of the Roman state and a center of occult/pagan worship and persecution of the early Christians.

The Roman state "Imperial Cult" was a religion, in which the roman emperor was worshiped at Pergamos as a god. The black nationalist doctrine of Obama's Trinity church in Chicago also teaches that the black man is the manifestation of God on earth and one can self-exalt himself to god status. That man can become a higher being or God and the self-worship of man is a tenet of satanism/Luciferianism. Click the images below for more info.

A temple is a place of worship. So, it seems that this bizarre stage design is alluding to the worship of Obama and the dedication of his campaign to Luciferian principles, much like Saul Alinsky dedicated his book, "Rules for Radicals" to Lucifer. Rules for Radicals is said to be the Bible of community organizers like Obama. Alinsky was deceased by the time Obama moved to Chicago, but he was trained as a community organizer by Alinsky's top students.

Many have speculated that Obama is a pathological Narcissist, also popularly called an "egomaniac" or "megalomaniac." Extreme Narcissists, often believe they are a divine being, a prophet, mouthpiece of God or actually God, himself. Extreme Narcissists are drawn to cult leadership, because it validates the mentality of their psychological disorder. See this clip for more info about Narcissism.

### [Documentary on Narcissism \(Video\)](#)

Obama may do these things in part as a form of provocation. In this case, though, it also provides an indication of his occult religious belief. It should not be necessary to point

such facts and unstable enough to exhibit obvious signs of a bizarre religious belief.

Obama appears to consider such national and international events, in general, as an opportunity for provocation and ritual. There have been several other such unusual occurrences, such as his saying once that he is God during a creepy episode at the 2011 9/11 memorial, the photo of the Soviet warships during the 2012 DNC event honoring US veterans, his first foreign speech in Cairo, which is of special significance to Black Nationalists, etc.

Occultists and agitators often try to provoke the opposition into a hysteria. Obama hopes we will overreact and can be marginalized and made an object of ridicule. In that way he can animate his cult-like following.

Pergamon Altar – Satan's Seat of the Book of Revelation

Below is the quotation from the Bible.

*Revelation 2:12 And to the angel of the church in Pergamos write; These things saith he which hath the sharp sword with two edges;*

*Revelation 2:13 I know thy works, and where thou dwellest, even where Satan's seat is: and thou holdest fast my name, and hast not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwelleth.*

an early Christian martyr, was roasted alive inside a hollow bronze bull on the altar, because he refused to renounce his Christian faith and worship Augustus Caesar, the Roman dictator, and the other idols. The bull was designed so that the screams of the victim as he was burned to death would make the bull appear to come to life during the sacrifice.

The Black Liberation Theology of Wright's pseudo-Christian sect in Chicago is also a would-be state religion, holding that the black race is divine and that the black messiah will arise from the black race with a divine mission to destroy America, as we know it, and create a black-ruled utopia, a millennial kingdom, which, in concept is similar to the 1000-year Reich. Reich means "kingdom" in German and millennial, of course, means "1000-year".

Hitler's architect, Albert Speer, also modeled the Tribune at the Zeppelin field in Nuremberg, Germany after the Pergamon Altar. The Zeppelin field was the site of the Nazi Party's annual national rally (Reichstag) and where Hitler was worshiped by the faithful like a god. (See the documentary film "The Architecture of Doom" by Peter Cohen, in which is it mentioned that Hitler's Tribune design is based on that of the Pergamon Altar.)

Pagan religion is generally about self-worship of man and tribal leaders. The Gnostic occult is a combination of paganism, Neo-Platonic Greek philosophy and the apocalyptic end times theology of the Zoroastrians. Worship of man and his works (the state) is also a central concept of the occult and Satanism/Luciferianism. Satanists frequently admire Hitler for his spiritual power and satanic will, whether they agree with his racism and methods, or not.

Tribune at the Zeppelin Field in Nuremberg (Click for more info)

Below is an image of one of the rallies in Nuremberg at the Zeppelin field in front of the tribune modeled after Satan's Altar of Pergamos. Most Germans probably did not realize that they were heiling Hitler, while he addressed them from a perverse replica of Satan's Throne of Revelation, or maybe they just did not care. It was an omen of the apocalypse to come. An early Christian martyr was burned at Pergamos as a sacrifice. Hitler used the altar as his tribune and slaughtered 10 million Christians and Jews as his "sacrifice." Now, Obama has used a similarly designed temple as his own tribune in his nomination convention.

Reichsparteitag – Hitler speaks from his Throne of Satan

Next is Obama's stage as the democratic convention in 2008 in Denver. The resemblance to a smaller version of Hitler's Tribune in Nuremberg is obvious and the design is even more like that of the Pergamon altar than is Hitler's Tribune in Nuremberg. There have been many references to Obama being a messiah or god by Obama's supporters and in the media. The Founder (~1920) of the black nationalist mass movement, Marcus Garvey, recommended that black groups emulate white supremacist groups, because he thought supremacist ideology and religion was the secret of the success of the white race. Garvey, known as the prophet of black nationalism, stated that some day the black race would produce their own Hitler.

Skip to toolbar

These Americans also do not realize that they are hailing Obama in this sick spectacle, while he is perched upon a stage modeled after the biblical Satan's Throne and Hitler's Tribune. Black Liberation Theology holds that the black race is divine and will produce a messiah, or messiahs (plural) who will lead the destruction of America and white society. The racial concept is similar (in reverse) to the racial concepts of Nazism and also to the racist, apocalyptic identity version of Christianity that the Nazis forced on the German churches. History repeats itself, the first time as tragedy, the second time as farce, at least we must hope that it is only a farce. The Nazi movement was an exception among occult messianic movements in the impact that it had.

Black Liberation Theology can be considered therefore a form of Luciferianism, in so far as it teaches the exaltation and worship of the (black) man, while the white race is scapegoated and demonized. This is the mirror opposite of Nazism, which exalts the white race and demonized Jews and people of color. Self-worship is a form of Luciferianism, whether one worships the red demon as a being or not.

Obama speaks at the Nazi-revered Victory Column in Berlin

So, the nomination stage can be considered to be an altar to Satan, not just because it is designed to look like the Pergamon Altar, but because Obama's religion under Jeremiah Wright, Jr. is a form of satanism, and there have been many references to him being a god/messiah.

Skip to toolbar | Log Out  
This design is of a very famous temple, but it is not the common design of a Greek temple. It is difficult to imagine that this design just happens to be coincidental and such bizarre occurrences happen too often to always be chance. It is more likely an intentional provocation and a symbol of Obama's subversive inverted values relative to the rest of society.

About one month earlier, Obama gave a speech in Berlin, at the Siegessäule or "Victory Column", just a short walk away from both the Pergamon Museum, where 'Satan's Altar' is on display and also next to the bunker where Hitler committed suicide in April 30, 1945, Walpurgis night. The Victory Column is itself still seen by some Berliners as a Nazi symbol. It was a very fitting homage. The speech was given before a wildly-

Berlin probably since the 1930's and 40's for such a political speech.

Obama is a disciple of Saul Alinsky, who dedicated his famous book on political organizing to Lucifer. Alinsky's techniques of organizing were based on the techniques of Al Capone's mob. Alinsky said that the purpose of his method was foremost to "gain power," which reflects the Luciferian ethic. [Click here to see a review of other Luciferian influences on Obama and historical comparisons to other messianic movements.](#)

Lest we forget at least an over-the-shoulder acknowledgment to the very first radical: from all our legends, mythology, and history (and who is to know where mythology leaves off and history begins — or which is which), the first radical known to man who rebelled against the establishment and did it so effectively that he at least won his own kingdom — Lucifer. *Quoted from Saul Alinsky's book "Rules for Radicals."*

If Alinsky dedicated his book to Lucifer, why should we be surprised, if Obama, a disciple of Alinsky, and also a member of a sect with a doctrine based on the principles of satanism, has dedicated his presidency to Lucifer?

Another example of worship of leaders comes from the French Revolution. Like Obama and Adolf Hitler, the leader of the Jacobins and dictator of France, Robespierre, constructed a throne, so that he could be worshiped like a god at the fests of the Cult of Reason, also called the Cult of the Supreme Being. This was a Luciferian religion, which was made the state religion of revolutionary France. This painting depicts Robespierre seated on his throne. A small artificial mountain was built for the throne and he would mount the throne wearing a toga during the festivities of the cult.

The Throne of Robespierre, Dictator of France

Robespierre led the effort to de-Christianize France and the slaughter of several hundred thousand people. Cathedrals were turned into stables for horses or were demolished. In the rebellious province of Vendée, Christians were exterminated by the hundred thousands, including men, women and children.

Skip to toolbar Log Out

There are many examples from history of would be “great leaders” who wanted to be worshiped as a god. Adolf Hitler and Robespierre are just two examples from recent history. From a historical perspective, it is not unusual to see this type of behavior among megalomaniacs and psychopaths, who would like to become absolute rulers.

### **WHY OBAMA PROVOKES**

occultists and Alinsky-style agitators to use such provocation. Obama is flaunting his real occult beliefs hoping to provoke a hysterical reaction among believers in biblical prophesy and conspiracy theorists, so he can paint his opponents as being backwards and ignorant, thereby discrediting them. He is a professional, serial provocateur and that appears to be what is happening here and as with many other provocations that he has done in the past, both during the campaign and as president. So, the point is, people need to be very careful about how they react to this provocation. Think about what he is trying to achieve with this. That is, foremost to discredit and bamboozle his opponents.

It is important to not overreact to such provocation, because that is their goal to have opponents launch themselves into the ozone layer. Another goal is actually to cause the public to fear him and his minions. When people think that he is the Antichrist they develop and spread fear among some of the public, who tend to think this way. This is an object of such agitation and it is really a shame for an American president to be using such perverse techniques.

This shrine to Satan will be destroyed at the command of the servants of God that will rule in the new Kingdom of God! People today need to watch and listen to the news about things that are really happening in the United States and the world! Statistics and reality coincide and bring the truth about what is happening now and what we need to keep our focus on. Don't believe what one person has told you but, what the facts show you!

I told you so about Obama. I work in peoples houses daily. When 2008 election was in progress I asked people why they have Obama signs on their lawn and why they are voting for him. Most answered he a nice guy (what) then I began to tell them things they did not know and dared them to check this out. Apparently they didn't or they wouldn't have voted for him, but one thing in common, was that the voters where union employees. Go figure.

Its hard to imagine that destruction of America would be the Hope and Change that Obama envisioned. For those conservative and right leaning independents that voted for him, it is hard to imagine that you let this happen again. What took 232 years to make a great nation has quickly started the destruction happen in 2 1/2 short years at the hands of a socialist administration and the Czars that he has appointed to assist him in to the ultimate demise of this once great nation. We need to change and only for the better. Time to elect the right people to get this country back on track.

The very first time I saw the man on TV when he was just putting himself out there, I told someone that “this man makes me nervous”. I had never voted before in my life. I was in my 50's. I registered and my first vote was NOT for him and my second vote will NOT be for him either.

@ Anonymous—I was on the phone with my mom when I first saw Obama, and he was nothing more than a small time guy and as I was talking to my mom and saw him on TV, I got this cold and dank feeling. I immediately interrupted my mom's dialogue and said, "Have you seen this man, Barack Obama?" She said "No, who is that?" I said, "He is thinking about running for the presidency!" She said, Oh, ok. I said, "Something is eerie about this man! I don't trust him.....Watch him mom. I believe he is going to do something to this country that is going to destroy it" and she said " I will remember you said that". My mom is my witness to these facts, and look at what is going on...

Obama and his Hollywood propagandists have cultivated a kind of religious feeling among his hard core supporters that he is some kind of savior and is going to change the world. On a personal note, I believe all people should pay attention to any and all symbols of the past and present. It would behoove all people , even those or especially those who are not Americans to take a close look into the things happening in America. It's not by coincidence these things are being pushed on the people. All must realize that these

people pay attention or not, eventually the results will move to the forefront. This will then have such an obvious effect on the people all over the world that most won't be able to distinguish propaganda and symbolism from true reality. The mixture will be an awful concoction of cruelty.

They do use symbolism for a purpose and people need to pay attention to what they are communicating with their symbolism, instead of letting it be implanted into their minds subconsciously. The Obama campaign is notable for it's use of symbolism, such as the rising sun symbol, which he uses as his logo. The rising sun is a symbol of a new age and transformation. There is a lot of perverse symbolism depicting Obama as being god-like, divine and the messiah. This is really outrageous and disgusting for an American politician and his minions to engage in this to the extent that the Obama campaign has. It is just mass brainwashing and more worthy of a Third World dictatorship like North Korea than the US. Because Obama has used so much perverse symbolism, it adds credibility to the idea that the similarity of his nomination stage design to that of the Pergamon Altar is not entirely coincidental. Has anyone since the Nazis used such symbolism in a major democracy?

Obama is certainly not the first self-worshipping, Luciferian president, but he is the most open about it. The others at least tried to cover it up. The problem is the danger of his uniting a large number of like-minded people, because he is so open about it.

Yes, he is a sheep in wolves clothing. You don't have to look very hard to see it. I have come to think that Bush in a lot of ways was preparation for Obama and Romney would have been Obama-lite, a acceptable fallback in case people rejected Obama. In my mind, they are all three puppets of international financial interests.

Our filthy news media is largely to blame. Obama was not and has never been fairly challenged on his qualifications, background associations, beliefs, policies or anything else that I can see.

There is something strange in it, it is like a worldwide madness.

Maybe because of media most of which are held by leftists.

It was in the summer of 2005 or 2006 (as I recall) that ABC produced a puff-piece on then senator Barrack H. Obama and followed him around in what was said to be “a day in the life of...”

Throughout the puff-piece the interviewer repeatedly praised the American melting-pot for allowing this Kenyan born African to emigrate to America and attain such political success. They were vague on the details of his family but strong on repeating over-and-over that a Senator does NOT have to meet natural-born citizenship standards that a president does under the current law.

So after Obama got elected to the presidency and the ongoing controversy over his citizenship continued to plague him, I decided to try and find that news story in the online archives and found that it had been entirely removed from those archives I had checked.

I am so sick of being told to shut up, for not being politically correct; was Jesus Christ politically correct or did he say those with no sin cast the first stone?

We are a great nation because of the grace of GOD! We allow our children to be taught the THEORY of evolution yet teachers are scared to death of teaching the BIBLE

We elected a man whom in his twenties changed his name (Christian name) to that of islam name, ie Malcolm x Muhammad Ali people what is wrong with the 54% of our population?

The 90% of blacks most Christians voted for him because of pride because Barry S is half black what? He believes in gay marriage, partial birth abortions, & the taking away of guns, liberties health care by the way he, & his family, & other politicians don't have to adhere to obamacare

I think ppl are so caught up in this luciferian saga that they actually forgot that our Lord Jesus Christ will strike down their so-called empire with 1 strike...they won't even have the strength to get up! How powerful is our GOD...so I don't fear them with their big guns and machines...so spend time researching about the kingdom of heaven

Independent of anything I saw on the Internet at the time, I had pulled up Isaiah 14:12-22 to study Lucifer's "I will, I will, I will... REBELLION in which he declared he would overthrow the Most High God. Because I have LOGOS Software I usually study the original Greek or Hebrew words of the scriptural texts. Here in Isaiah you not only find "alah" (related to worship ascending, swearing falsely, curse, blasphemy) you also find "bamah." I was incredibly AMAZED with this find such that I looked into Luke 10:18 in which Yeshua haMashiach (Jesus) quotes from Isaiah 14:12-22 saying, "I saw Satan CAST DOWN (fall) like LIGHTNING from the HEIGHTS." Hebrew for LIGHTNING is "barack, baraq" and Hebrew for the word HEIGHTS would be "bama or bamah." SIMPLY AMAZING! In other words, Jesus would have said in His native tongue, "I saw Satan fall like BARACK ^O BAMAH."

What would cause a family or person to give themselves such a prophetic name associated with Lucifer (now called Satan, the Serpent, the Rebel)? And then, why would this same person choose the Seat of Satan, Pergamum Altar as his political platform; and why would this same person's icon be that of "the sun rising in the West" as a symbol and catalyst to the Islamic dirge to arise and slaughter Christians and Jews everywhere (perhaps the ignorant & uninformed haven't read the Luo Prophecies of Kenya)! Is the Kenyan Obama the genetic father of Barack Hussein Obama? Or is Barack's father Frank Marshall Davis, whom Barack resembles? Or is Barack the offspring of the Indonesian founder of SUBUH, Mohammad Subuh Sumohadidjojo ("Bapak") who like Barack uses the Islamic symbol of the "sun rising in the West?"

Stanley Ann Dunham Soetoro is Barack Obama's mother; she raised Barack in Indonesia, the same is the "origin of the rising sun" CULT known as SUBUD or SUBUH. Oddly enough, the Founder of SUBUD, Muhammad Subuh Sumohadidjojo ("Bapak") looks ALMOST IDENTICAL to Barack Obama; Muhammad Sumohadidjojo also has a Logo which is the "rising sun." Then there is "Deliana" Loretta Fuddy, member of the "rising cult" SUBUD, an acquaintance of Barack's mother, Stanley Ann Dunham; also a member of the same SUBUD Cult from Indonesia. "Deliana" Loretta Fuddy was recently and mysteriously killed in a plane crash. Oddly enough, she was the one person of 7 billion people on planet earth who was also a member of the SUBUD "Rising Sun" Cult that happened to be the single link to Barack Obama's campaign 2008, whose logo is that of the "rising sun" AND Barack Obama's (fake) birth certificate.

I am afraid that the "spiritually stooipid" people of America are so iniquitous=sinful they are blind to what is happening to our country... or they are so blatantly uninformed/uneducated that they would bow down to Satan just because he's endorsed by Hollywood... or as 2-Thessalonians-2 REVEALS, perhaps it is because they love

**BEGUILLED=DECEIVED=TRICKED** into receiving their own **STRONG DELUSION**; or perhaps as is recorded in 1-Samuel 2:2-3 “God **RATIFIES DECISIONS**” and the people hell bent on destroying America choose **UNRIGHTEOUSNESS** over godliness/character. This is the real reason the Saul Alinsky platform elected Barack Hussein Obama!

May all who elected this evil to reign over America, **PERSONALLY** receive the fruits of this diabolic platform such that they only enjoy “the pleasures of sin for a season” and repent before they are beyond salvation and deliverance.

1 Samuel 2:2–3 (KJV 1900) — 2 There is none holy as the LORD: For there is none beside thee: Neither is there any rock like our God. 3 Talk no more so exceeding proudly; Let not arrogancy come out of your mouth: For the LORD is a God of knowledge, And by him actions are weighed.

Revelation 16:1–2 (KJV 1900) — 1 And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth. 2 And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the **MARK** of the beast, and upon them which worshipped his image.

It also amazes me that the **MARK** recorded in the Bible Codex by John of Patmos looks like the Arabic **CURSE=BLASPHEMY** of the Bismillah, Shahata and the Bay’ah.

This country deserves the likes of sex crazed Bill Clinton and American hater Barack Obama.

Gods wall of protection has crumbled because of this nations refusal to repent of gross sins, porn and the murder of millions of innocent little boys and girls through abortion. Marriage being an out dated custom. We are depraved and selfish and need to repent of our ungodly lifestyles. The warning is going out but few there be that listen. Few there be that even care. Few there be that will fall on their faces and cry out to a just and holy God for forgiveness and mercy. You've just been warned to turn to Christ before it is to late. God help us to humble ourselves in shame.
